

2024 Transformation Grants for IDD Housing

The lack of quality, affordable housing options for adults with intellectual and developmental disabilities (IDD) has reached a crisis in the United States. The Transformation Grants Program reflects our commitment to investing in person-focused solutions for individuals with IDD. The program also provides funding for the exploration of new, inclusive, and community-based approaches that are affordable, scalable and sustainable.

Project Brief Question List

1. Project Name
2. Amount Requested
3. Total Project Budget
4. Organization Annual Budget
5. Briefly describe the proposed project or initiative and the need(s) addressed by this effort.
6. How will this funding address the need stated above?
7. What are the specific outcomes you expect to achieve?
8. What is the anticipated timeline of achieving these results?
9. Primary Geographic Area (select the primary geographic area that your organization provides services in (Washington and/or Oregon counties))
