

# 2025 Transformation Grants: Advancing Housing for People Experiencing Intellectual and Developmental Disabilities

The Transformation Grants for IDD Housing program reflects our commitment to investing in person-focused housing solutions for individuals who experience IDD. The program also provides funding for the exploration of new, inclusive, and community-based approaches that are affordable, scalable, and sustainable.

## Project Brief

Please share the following information in an up-to-two-page project abstract:

- Summarize the project, approach, objectives, and the need being addressed
- Project duration
- Briefly describe your project leaders, their expertise, the role that each will play in the project, and what percentage of their time will be allocated to the project
- Describe the organizations and other stakeholders engaged in the work and the level of engagement and collaboration
- Describe how you will evaluate the impact of the project

Please also share the amount requested, grant start and end dates and the primary focus of your project.

Project briefs will be due by 5 p.m. PST on Aug. 15, 2025. Applicants will be notified of decisions and invitations for proposals will be extended on Aug. 22, 2025.

# 2025 Transformation Grants for Research on Intellectual and Developmental Disabilities: Advancing Innovation

The need for earlier diagnosis and impactful therapies persists, and longstanding socioeconomic and political conditions produce obstacles for people with IDD to receive equitable, appropriate, and effective physical and mental health care, further contributing to poor outcomes.

While the exploration and advancement of therapies and treatments is a key component of this program, we also invite efforts that remove barriers to care, prioritizing equitable and informed access to IDD screenings, diagnosis, and therapies.
